SUB: Applicant: Harischandra K. Mhatre

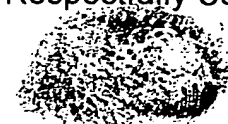

1. Patent Application Sr.No.10/666, 456 for
"Improved Heart Valve Prosthesis"
2. Patent Application Sr.No. 10/666, 457 for
"Prosthetic Heart Valve of Pyrolytic Carbon"

Sir,

The above two Patent Applications, Sr.No. 10/666, 456 and Sr.No. 10/666, 457 were filed on September 19, 2003 through Law Offices of OLSON & HIERL, LTD., 20 North Wacker Drive, 36th Floor, Chicago, Illinois 60606, Tel. (312) 580-1180. It is, now, eighteenth month is running but I do not have news of both Patent Applications.

I shall be grateful to know the present status of both the Patent Applications at your earliest convenience.

Respectfully Submitted
